BOOKING CONTRACT AND RISK WARNING: READ THIS!!!

Please remember that extreme sports like all adventure sports are potentially dangerous. Although every step will be taken to ensure your safety, the Derbyshire Flying Centre and its instructors will not be held responsible for any injury whatsoever. By signing here you also agree to Derbyshire Flying Centres booking conditions. Participants must be reasonably fit and not suffering from any medical condition, which could compromise themselves or others whilst partaking in adventure sports.

Warning: Paragliding and Hang-gliding are dangerous sports and you will probably be hurt.

Booking Conditions - Important - Please read!

We ask that you complete your training within 1 year. You can continue training after the 1 year limit, but you may be expected to purchase extra days.

NB: We still reserve the right not to qualify any student until that student reaches the appropriate standard and to call a halt to training in the interest of that student if we feel fit to do so.

Important - Please read.

To ensure the smooth operation of the school, all course fees must be fully paid in advance or on the first day of your course. Please choose which course you require then ring us on 0845 1081577 to book your dates (your dates do not need to be consecutive; we can tailor the course to suit you). Once you've called us we can reserve your dates for seven days while we wait for your completed booking form and deposit to arrive. Once we receive your details we will open a student file in your name ready for the start of your training. (We can't accept plastic at the moment. By arrangement the fee can be paid directly in to the DFC bank account). Prices include training and equipment use.

Cancellation:

You have a 7 day, full refund cancellation period after purchasing any of our courses. Due to the nature of our business, once the 7 day cancellation period has expired, there can be no refunds for any reason whatsoever. If you book within 7 days of your start date, there is no cancellation period. If you are booked on a course during any part of your training and you decide not to attend, you must give us at least 48 hours notice or risk forfeiting that day. Gift vouchers are not refundable but are valid for a whole year from the date of issue. Sorry, but we must be strict on these points to ensure the continuing survival of our business.

Inclement weather

Cancellations due to bad weather: As all our training and experience days are weather dependent, the Derbyshire Flying Centre and its instructors cannot be held responsible whatsoever for the fickle nature of the British climate. If you are unfortunate with the weather during your booked dates, we will time credit you the lost day or days for up to 1 year to be taken at your convenience - just keep rebooking the next available date until you get a good weather slot. As with all weather dependant sports, while under training patience can be required at times but the rewards are vast in comparison. If you are not a patient person, we would politely suggest that weather dependant sports are probably not for you.

Note: No money refunds due to inclement weather are possible on any day or days booked.

BHPA membership.

We can no longer include BHPA membership for the Elementary and Club Pilot paragliding courses. If you are booked onto these courses you will need to pay for either 3 months or an annual membership on your start day. We leave this up to you to decide which membership is more use to you. Please remember to bring payment with you on the first day of your course, we cannot give credit and you cannot train without it. We include BHPA membership costs for all 1 day Taster courses.

Membership prices as of January 2005. Cheques made payable to the BHPA

3 months: £40.00 + £15.00 joining fee = £55.00

Annual: £77.00 + £15.00 joining fee = £92.00
